Dear Ms. Crowe:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT REQUESTS

This is in reference to all Freedom of Information Act (FOIA) requests submitted by your office to Department of the Navy (DON). Copies of the requests currently on file in this office are attached.

We regret to inform you that, due to an overdue payment, we are unable to continue processing your requests at this time. Our records indicate Centurion Research Solutions is indebted to the U.S. Government in the amount of \$572.00 via Space and Naval Warfare Systems Command (SPAWAR) for a previously processed FOIA request. Any amount billed that is not paid within 30 days is considered past due. Since SPAWAR-HQ has not received payment for services rendered, we cannot process any requests from Centurion Research Solutions until the matter of fees is resolved. Therefore, we are closing your requests without further action.

For your convenience, we are enclosing a copy of the unpaid invoice. Please ensure that a check or money order, made payable to the Treasurer of the United States, is enclosed with a copy of the invoice and mailed to:

Space and Naval Warfare Systems Command
Attn: FOIA Coordinator
4301 Pacific Hwy, OT San Diego, CA 92110

If your records reflect that payment has been made, please provide us with a copy of a cancelled check, or the check

number, date, and amount of payment so that we can conduct an inquiry. Once all fee considerations are resolved you may re-submit your FOIA requests for processing.

Questions regarding the actions this office has taken during the processing of your requests may be directed to our FOIA Service Center at (202) 685-0412. For questions regarding the status of your invoice please contact SPAWAR at (619)524-7052.

Sincerely,
